Dear MRS. Edwards,

Thank you for both of your letters. I didn't realize that so much time had elapsed since receiving your first one. For the past several months I have been working three jobs so I have been quite busy. In addition, my son has me involved almost every weekend in his T-Ball practice so my family tree has been put on the back burner until the end of June. However, circumstances are going to be favorable for me to return to Archives this Saturday, so I do intend to go for a few hours.

To begin with I am not sure that I can help you very much, but will be glad to give you what little I have. Most of my information on the Carter family came from:

MR. + MRS. Arliss Henckley Nix

Rt 1, Box 3
Moreland, Georgia 30259.

They report in a manuscript which was compiled some twelve years ago that Thomas L. and Dearest Nix had five children: 1. John D. - born 1820 in S.C. - m. Mary Ann - - - - who was born 1825 in S.C.

2. Mary - born 1825 in S.C.

3. Edward - born Feb 4 - 1826 in S.C.

Died Aug 31, 1899. (My records show that he was a resident of Jones Co, MS. at the time of his death, and he is ~~buried~~ buried there.) Edward married Catherine E. Powell - b. 1828, Jasper Co. MS., died April, 1911. She is supposedly buried in the old Ellenville, MS Cemetery, but I have been unable to locate her grave. I have however found a picture of her and two of her sons and have had it copied. It's fantastic (ca 1899).

(2)

4. Lucy West - Born 1828 S.C., m. ASA CARTER who was born 1826 ms.

I have located the grave of ASA R. CARTER in the old Ellisville Cemetery but as you indicate, he must be a different person. According to that marker ASA R CARTER was b. JAN. 7, 1822 died NOV. 12, 1895. He is not buried with Lucy West. I am going back to that cemetery within the next ~~few~~ weeks and I will see who is buried beside him.

5. Emmeline Catherine Rebecca - b 1831 S.C. married Green B. CARTER - b 1815 ms.

You may have helped me more than I have helped you. I have been trying to locate the grave of Dearest Nix, or learn something about her. She is listed as a household head in the 1840 census of Jasper Co. ms. By 1850, she has moved in with John D whom I presume by then had married. The census of 1850 (Jasper Co) ~~shows~~ lists the family as follows (#196)

John D Nix	28 m	FARMER	S.C.
MARY	23 f		Ditto
MARtha	2 f		ms.
MARY JANE	9mo f		Ditto
DEAREST	40 f		S.C.
John Crocker	m		Unknown
MARY Nix	25 f		S.C.

To guess, I would say that the last Mary (Nix) was JOHN D.'S sister, but I don't know for sure. I had heard somewhere that John D probably moved into Alabama, about the same time that his brother Edward moved to Clarke Co. ms. However, I had been unable to substantiate that statement. I will check Perry Co records this week end. Thank you for that idea.

Incidentally, I am looking for a picture of John D.'S brother Edward. Should you ~~have~~ run across one please let me

(3)

know.

I'm sorry that I didn't write sooner and that I didn't have more information for you. However, should I learn anything this coming Saturday, I will advise. And, if you can tell me who the parents of Thomas (Alant's husband) were, I would appreciate learning.

Sincerely,

Charles Reynolds

Dear Mr. Bunch:

Re: Estate of Cecil Nix Thiers

Laura Scruggs married Will T. Nix here in Jackson County on December 4, 1895. I can find no marriages or obits for Laura Scruggs Nix siblings. Apparently the Scruggs left Jackson County, MS before 1900.

I did, however, find that Will T. Nix was the son of W. H. Nix who died on July 10, 1898 and that Will T. Nix had one sister Elnora or Nora Nix. It appears that she did not marry or have any children.

I can find no evidence that Will T. Nix died here. He may have abandoned his family and gone elsewhere. You may wish to contact Ilone NixGreen, 1203 Shephard Ave., Pascagoula, MS 39567.

Hope that this information is of some help.

Ref: Estate of Cecil Nix Thiers:

Dear Mr. Strickland

In February of this year, Cecil Nix Thiers died intestate, in Dallas, Texas. I have been directed by the probate court in Dallas to attempt to locate any heirs to her estate. At this time we know the following facts:

Cecil Nix, W/F, was born in Jackson Co. Mississippi on January 3, 1898.

Her mother was LULA SCRUGGS NIX and she was born in Mobil, Alabama on August 25, 1868. According to the 1900 census, Lula and Cecil lived alone in Jackson Co. Miss. Cecil was listed as an only child. Lula Nix was reported to head of house, but showed to be married for five years. No father was listed.

In the 1900 Census, Lula Nix, reported to be married for 5 years but she was listed as head of house. I suspect that she was a widow at that time. Her husband probably died in 1897-9. I do not know what his first name was. They may have been married in Jackson County or in Mobil, Ala.

Lula's Mother and four brothers were reported living in 1900. r, MARTHA SCRUGGS, and two Brothers CHARLES SCRUGGS, birth yr. 1862 and WALTER SCRUGGS, birth yr. 1864, were living together in Pascagoula, Miss. according to the 1900 Census. The other brothers JOHN SCRUGGS, b.y. 1860, and EDWARD or EDMOND SCRUGGS, b.y. 1866 are unaccounted for since the 1880 census when all of the Scruggs were living in Mobil, Ala.

Please check your marriage and obituary records for these people. We are trying to find any survivors who are heirs to this estate. May call me at 1-800-969-7661, if you have any questions

Thank you

Nixes proposed regional prison

To the Editor:

This letter is in response to the editorial comment printed in the paper on Sunday, July 7.

The issue of the proposed prison facility should concern ALL Jackson Countians, not just those people in the Wade, Big Point and Hurley communities who are most directly affected.

You said that "we cannot afford to pass up anything which might help the local economy." The people of Jackson County recently rallied together to prevent another industry from locating in our county due to the criminal element which would be attracted. I'm speaking of the horseracing tracks.

Should we now support an industry which will import and house 500-750 known criminals in our county? No, Mr. Editor, we do not need such an industry nor can we afford it in terms of the adverse effect it will have on our community and county.

I attended that public hearing and there were many other objections to the facility which do "wash." Some of these included depreciation to the value of our property, safety of our families, the broken promises concerning the original proposed use of the land as a recreation area for all of Jackson County, the proposed prison location in a heavily populated residential area, and the possible tax burden on the county to supply water and sewage to the facility.

At that meeting we were told the institution would house 500-750 prisoners, not 500 as repeatedly stated in the paper. We were also told that the facility would be a medium security prison, not a minimum security prison as stated in your editorial.

The DOC officials and some supporters cited the overcrowding of the present facilities and the early release of prisoners "not yet ready to be integrated back into society" as the primary reasons to support the need for a new prison. The need is not an issue, the location is.

Wake up, Jackson County. Do we need or want such a facility located in our county? Is it possible that the criminals housed in such a facility would like our area enough to become residents after serving their term? What assurances do we have that the stated prison population will be maintained when all other such institutions are overcrowded? What will prevent the early release of prisoners in our county due to overcrowding? What will prevent the future conversion of the prison to a maximum security prison if the DOC feels it is needed?

Mr. Editor, I certainly don't want that facility in my immediate neighborhood, but I don't believe that the people of Jackson County are that desperate to boost the economy. I urge all concerned citizens to contact their supervisor as well as their legislators to prevent this facility from locating in our county.

He was a veteran of the Seminole war in Florida, the war for Texas independence and the war with Mexico, being present at Palo Alto, Resaca de la Palma, Buena Vista, etc., and in the Confederate service. The nice young man came to see his sister again Sunday. The drive to the Springs is a most delightful one. Somebody else must have felt blue.

Keep your cows out of your neighbor's garden. It is a most delicate one. Somebody else must have felt blue.

Mr. Phil Davis makes and sells fine ice cream at his store on Dutch bayou on Saturday evenings. Besides the ice cream, fresh and fine, he has watermelons just from the vine. He also keeps ice for sale.

If you want to see a style, drive out on the "Boulevard de Randall" on Sunday afternoon, and view the colored bou-lons perambulating that thoroughfare, neat and neat no obstacle. "Oh, my!" "Yes," said she, "they tell me that Dr. Turner said she had the perry-perry (meningitis) and the rejection fever both together, and it was impossible for her to get well; and besides, he said that was de epilepsy she had in the left side, and then she took the collapse on top of that." "Ugh!—isn't that?"

The picnic and excursion to the shore by the Baptist Sunday school was well attended. The Professor got left, but got there all right by a later train. Some of the boys got off at Scranton to see the town and got left, but they got there all safe after awhile. They had a fine day for pleasure and all enjoyed it though some things at dinner time could have been made more pleasant. It was a matter of fact that the pastor, Rev. J. F. Bynum, and wife could not attend on account of sick children at home.

Refreshing showers off and on visit our section of country. Indeed, a very weather is much the order of the day, and the pretty summer girls with their new summer dresses and also summer hats on, often wish the showers would keep off. But it makes sometimes for planting potato vines, and one old caddy says, "water patches air with water all the summer long." But he's way behind the times, for potatoes one month, he's true to his "water" faith.

all the bliss that earth can yield, and brighter bliss in Heaven.

At Pascagoula, Miss. Wednesday, Jan. 24, 1896, at 8:15 p. m., in the Union church, by Rev. H. T. Brock, Mr. CLARA L. WARREN and Miss ANNEA F. FAY.

The pretty little church was beautifully decorated with evergreens, shrubbery and lovely flowers. During the ceremony the charming bride and handsome groom stood under a large horse shoe made of white flowers, and suspended from the center above, with two white birds on either side hovering over them. After receiving the congratulations of their friends, the happy pair repaired to the bride's former home, where a delightful repast awaited them. The DEMOCRAT-STANDARD sends its best wishes for their future happiness.
